How to participate in a CTE WebEx Session:

The login process may vary depending on your browser, operating system and whether you have already installed WebEx. If you need additional help installing or logging in please visit: http://www.it.cornell.edu/services/webconferencing/howto/troubleshooting.cfm

Navigate to: https://cornell.webex.com, or follow link from CTE Events page to WebEx Session.

You may see either of the following screens:

This Cornell WebEx login screen will ask for your NetID and password. Please follow the Cornell WebEx Steps below to navigate to the correct session.

[Diagram of login screen]

Clicking ‘Join Now’ will launch the WebEx app, please jump to the final step in this document. If you have not used WebEx before you will be prompted to install the app, this takes less than 2 min.

This session-specific login screen will ask for your name, email address, and the session password. (CTEseminar1)

Cornell WebEx Step 1: This is the home page you will see after logging in. Your NetID will be displayed in the upper right corner, indicating you are signed-in.

[Diagram of home page]
Cornell WebEx Step 2: Select the ‘Training Center’ tab from the top menu

Cornell WebEx Step 3: Select ‘Today’ from the Live Sessions tabs

Cornell WebEx Step 4: CTE Sessions will appear as ‘In Progress’ or ‘Scheduled’
To enter a session select ‘Join’ from the far right column

For all methods of login: The ‘Audio Conference’ dialogue box will open.
Select ‘Call Using Computer’

You should now be connected to the WebEx Session!
