Assessment Workshops
Fall 2012 and Spring 2013

General Assessment Workshops
Participants in this working session can discuss any area of assessment at the course or program level, as well as at the undergraduate or graduate level. Topics addressed will depend on participant interest, but can include: developing student learning outcomes, selecting appropriate measures, creating an assessment plan, collecting and analyzing data on student learning, developing rubrics, and writing an assessment report.

9/10/2012  421 CCC  12:00 - 1:00 p.m.
2/11/2013  421 CCC  12:00 - 1:00 p.m.

Our Assessment Plan is Done, Now What?
Implementing Program Assessment Plans
Even after an assessment plan has been developed and approved, evaluating student learning remains a challenge. Topics for this working session will depend on participant interest, but can include: gathering and interpreting data on student learning, strategies for collecting samples of student work, and practical advice for writing an assessment report.

10/15/2012  421 CCC  12:00 - 1:00 p.m.
3/11/2013  421 CCC  12:00 - 1:00 p.m.

What Do We Do With the Data? Analyzing, Utilizing and Sharing the Assessment Data
Assessment data is collected in order to make informed decisions about a curriculum. This session will address analyzing assessment data, implementing a process for utilizing the information gathered, and options for reporting on the data collected and the changes made.

11/12/2012  421 CCC  12:00 - 1:00 p.m.
4/8/2013  421 CCC  12:00 - 1:00 p.m.
