2014 CTE Graduate FELLOWSHIPS

The CTE Graduate Fellowship Program, a competitive one-year fellowship, is an opportunity to...

- Design and facilitate graduate programming on teaching
- Explore the art of teaching through coursework and mentorship
- Build your CV and skills for the job market
- Collaborate and network with peers across disciplines
- Enhance teaching, leadership and mentoring skills

GRADUATE TEACHING ASSISTANT FELLOWS (GTAF) develop and implement programs and resources that foster teaching excellence at Cornell University

GRADUATE RESEARCH IN TEACHING FELLOWS (GRTF) develop and use research strategies to understand, inform and enhance your teaching

Applications due April 18, 2014
